About us

Lintel Integrated Services & Supplies Ltd was established in response to the evolving trends and demands within the dynamic engineering industry. Since starting in 2024, we have become an authorized company in the engineering industry, driven by our commitment to quality, reliability and customer satisfaction.

We connect our customers with authentic, factory-original equipment and spares at competitive prices. We do this by building strong relationships with manufacturers in their home countries, where prices are often most competitive. Streamlined operations and low overhead let us pass those savings on to our clients.

Our approach is built on engineering expertise, which helps us understand the challenges our clients face. Our team brings over a decade of industry experience.

Vision

To become the most trusted and innovative leader in the Nigerian Oil & Gas and Marine industry, renowned for excellence in general contracting and project delivery.

Mission

To be a leading provider of innovative, high-quality and cost-effective general Oil & Gas contracting that exceeds client expectations.

Values

Excellence

Integrity

Innovation

What we do

MRO procurement

Reliable MRO procurement for engineering, industrial and commercial clients: spare parts, consumables and preventive maintenance supplies that minimise downtime and keep operations efficient, safe and cost-effective.

Engineering services

Civil, mechanical, electrical and environmental engineering, from initial planning to final execution. Our construction capability spans residential, commercial and industrial projects, including site preparation and project management.

Engineering products and spare parts

An extensive range of spare parts and engineering products for multiple industries, backed by rigorous testing and quality control, so you get the right parts at the right time.

Epoxy flooring and coating

Durable, attractive and cost-effective epoxy flooring and coating systems for residential, commercial and industrial spaces.

Insulation

Efficient, cost-effective and sustainable insulation services and products for residential, commercial and industrial clients.

Marine consultancy and vessel supplies

Vessel maintenance consumables, tools and equipment, ship valves, general ship pumps, pressure vessels and gear pumps.

Products and brands

Featured products

Grundfos standard pumps	Fluke test and measurement devices
SKF spherical roller bearings	ABB variable frequency drives (ACS510 series)
Vessel maintenance consumables, tools and equipment	Ship valves
General ship pumps	Horizontal air-over-water pressure vessel tanks
Vessel gear pumps (VGP)	

Brands we supply

SKF, ABB, Siemens, Schneider Electric, Danfoss, Grundfos, Xylem, Flygt, Lowara, Goulds, Parker, Bosch Rexroth, Festo, SMC, Omron, Panasonic, Allen-Bradley, Eaton, Delta, Keyence, SICK, Pepperl+Fuchs, ifm, Datalogic, Fluke, Bonfiglioli, NTN, FAG, Rexnord, Falk, Nordson, Hiwin, Burkert, Continental, Megadyne, Ammeraal, Loctite, Linx, Vacon, Wedeco, Godwin, Leopold

Authenticity you can rely on

We source factory-original equipment and spares directly through manufacturer relationships, so you receive genuine parts.
